**Whipps Cross University Hospital
Barts Health NHS Trust
Individual Placement Description**

Placement	FY1/FY2 Acute Medicine
The Department	<p>The Department of Acute Medicine comprises 9 Consultants of whom 3 are Rheumatologists, 3 are Nephrologists, 2 are Endocrinologists and 1 has an interest in Cardiology. All of the consultants are involved in acute unselected general medical on call. The department also has a dedicated acute medicine SpR and 2 rheumatology SpRs who work with a team of 9 SHOs and 2 FY1s.</p> <p>The department serves a diverse local population of East London with a catchment of over 350,000 people from Waltham Forest, Redbridge, Epping Forest and further afield. It has close links with tertiary cardiology services at St Bartholomew's Hospital and with the Hyperacute Stroke Unit at The Royal London Hospital.</p>
The type of work to expect and learning opportunities	<p>All F1/F2 doctors are ward based and are expected to attend daily consultant led ward rounds and work within the team to deliver the daily ongoing medical care to all patients on their ward.</p> <p>Whilst on call, the F1/F2 will be involved with the generic clerking of acute unselected medical patients and will subsequently be involved with their ongoing care. They will also have to provide emergency medical ward cover.</p> <p>The overall educational objectives of the F1/F2 year are to provide the trainee with the knowledge, skills and attitudes to be able to</p> <ul style="list-style-type: none"> • Take a history and examine a patient • Identify and synthesise problems • Prescribe safely • Keep an accurate and relevant medical record • Manage time and clinical priorities effectively • Communicate effectively with patients, relatives and colleagues • Use evidence, guidelines and audit to benefit patient care • Act in a professional manner at all times • Cope with ethical and legal issues which occur during the management of patients with general medical problems • Educate patients effectively • Become life-long learners and teachers

Where the placement is based	Whipps Cross University Hospital Acute Assessment Unit (AAU)
Clinical Supervisor(s) for the placement	Acute Medical Consultants
Main duties of the placement	<p>The F1/F2 doctor is responsible with other staff for patients admitted to the acute medical wards and deal with problems arising in these patients under the close supervision of senior doctors. Daily duties include attending consultant led wards rounds and multidisciplinary board-rounds, organising investigations, maintaining accurate patient medical records and performing venous thromboembolism and delirium score assessments for all acute admissions. They will have the opportunity to learn practical procedures and to attend out-patient clinics on at least 6 occasions over 4 months in a specialty of their choice and interest. They should aim to complete an audit during their placement in acute medicine.</p> <p>They are expected to attend various teaching programmes including the weekly F1/F2 lecture based teaching, weekly clinical skills teaching where practical procedures and simulation teaching for acute medical emergencies are taught, weekly acute medicine and rheumatology departmental teaching and the hospital grand round.</p>
Typical working pattern in this placement	<p><i>Daily:</i> 0900- 1700 or 0700 - 1500 Consultant ward round/ daily duties</p> <p><i>Other:</i> Tues: 1300-1400 Grand Round</p> <p>Weds: 1300-1400 Formal F1/F2 Teaching 1500-1600 Simulation Teaching</p> <p>Thurs: 1300-1400 Departmental Teaching</p> <p>Fri: 1215-1300 X-Ray Meeting</p> <p><i>On call requirements:</i></p> <p>Whipps Cross Hospital currently has 41 Foundation Year One (FY1) trainee doctors working in Specialist Medicine and Surgical specialities as well as one FY1 doctor assigned to Obs & Gynae speciality.</p> <p>Out of 41 FY1 doctors, 31 doctors work on on-call rotas at any one rotation of 4 months. The other ten doctors do not receive banding as they only work during standard hours - Respiratory, Stroke/Cardiology, Psychiatry, Gastroenterology, ITU Anaesthetics, Paediatrics, DMEP and 2month of Urology rotas are un-banded as FY1</p>

	<p>doctors work 40 hours per week.</p> <p>On current surgical rota, 12 FY1 doctors work 46:41 per week each. Two doctors from 16 FY1 doctors work long day shifts from 08:00 a.m. to 9:00p.m. during week days as well as weekends.</p> <p>FY2 - Intensity of their on call commitments depends on number of doctors on the on call rota. The Trust has three shift patterns of standard day from 08:00 am to 17:00, Long Day shift starts at 08:00 to 20:30 and night shift 20:30 p.m. to 08:30 a.m. across the SHO grade doctors.</p>
<p>Employer information</p>	<p>The employer for this post is Barts Health NHS Trust</p> <p>The post will be based at Whipps Cross University Hospital, which is a medium sized acute NHS Trust and provides an extensive range of secondary services for the growing local community of approximately 280,000.
